EXHIBIT A

Mihaljevic Partners LP (the "Partnership") is a private investment fund formed to pool the assets of its investors for the purpose of investing, directly or indirectly, in a wide variety of securities and other financial instruments. The Partnership is offering limited partnership interests on a continuous basis to accredited investors. Although there is no maximum or minimum aggregate amount of limited partnership interests that may be sold in this continuous offering, we have inserted the figure \$100,000,000 in Item 13(a) of Form D as a reasonable estimate of the total offering amount of such limited partnership interests.
